

Welcome to Rocky Car Wash & Car Wash on Canning.

We are pleased to offer our clients a business account at our premier car wash sites at Rocky Car Wash & Car Wash on Canning.

Business accounts allow you the convenience of PIN number use of all facilities on site and a monthly tax invoice.

The advantages of a business account include:

- Flexibility to have the account operational at either site or both - with the same PIN numbers.
- As many PIN numbers as you require - eg a different PIN for each vehicle or staff member
- Ability to set a \$ limit on each PIN - daily, weekly and monthly
- Ability to choose which facilities are available for each PIN ie Automatic wash, self-serve wash bays, vacuums and car vending products.
- Ability to choose the days and hours each PIN can access a site eg 7am to 6pm Monday to Friday
- A record with each invoice of monthly use for each PIN number at each site.

To apply for an account please complete the on line application. If you would prefer an application emailed or have any queries please call Amanda on 0407488406.
